

## **Code of conduct during the mobilities in Switzerland**

### **Basic information**

The apprentices remain employees of their training company and their school in Leszno and are at the same time apprentices of the BBZ-Solothurn-Grenchen for the entire duration of their mobility. As such, they represent the training company and the vocational school and must behave correctly during their mobility and in accordance with the absence and disciplinary regulations of the cantonal vocational schools of Solothurn, Switzerland of 22 June 2009 (as of 1 February 2024).

**In particular, we would like to point out the following rules of conduct, which apply for the entire duration of the mobility (outward and return journey, stay in the destination area):**

#### Participants

- adhere to the rules of decency and courtesy during their outward and return journey and their stay in the destination area. They shall behave respectfully towards instructors, accompanying pe, host families and other participants and comply with the instructions of superiors.
- observe a moderate consumption of alcoholic beverages, insofar as this is permitted by the country-specific legislation. They respect the fact that it is at the discretion of those responsible to define the right level and to impose the necessary regulations and sanctions.
- respect local customs and rules (national customs).
- inform the BBZ Solothurn-Grenchen before travelling about any health impairments that require special precautions. In accordance with the current Medicines Act, teachers are not permitted to dispense any medication. Students must therefore take their personal 'pharmacy' with them.
- avoid potentially dangerous situations and do not provoke or endanger anyone.
- do not consume, buy, sell or transport illegal drugs. It is strictly forbidden.

Students who disrespect these rules will be sanctioned at the discretion of those responsible. Depending on the severity of their misbehaviour, they will be sent home immediately and at their own expense.

With my signature I declare my agreement with these rules.
